

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF NEW YORK

SAIM SARWAR, Individually,

Plaintiff,

v.

CHAUTAUQUA HOTEL COMPANY, INC.

Defendant.

Case No.:

**COMPLAINT**

(Injunctive Relief Demanded)

Plaintiff, SAIM SARWAR, Individually, on his behalf and on behalf of all other individuals similarly situated, (sometimes referred to as “Plaintiff”) hereby sues the Defendant Chautauqua Hotel Company, Inc. (sometimes referred to as “Defendant”) for Injunctive Relief, and attorneys' fees, litigation expenses, and costs pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. (“ADA”) and damages pursuant to the New York State Human Rights Law, NYS Exec. Law Section 296(2)(a) (“NYSHRL”).

1. Plaintiff is a resident of New York, is sui juris, and qualifies as an individual with disabilities as defined by the ADA. Plaintiff is unable to engage in the major life activity of walking more than a few steps without assistive devices. Plaintiff ambulates in a wheelchair or with a cane or other support and has limited use of his hands. He is unable to tightly grasp, pinch and twist of the wrist to operate. When ambulating beyond the comfort of his own home, Plaintiff often uses a wheelchair or other assistive device. Plaintiff requires accessible handicap parking spaces located closest to the entrances of a facility. The handicap and access aisles must be of sufficient width so that he can embark and disembark from a ramp

into a vehicle. Routes connecting the handicap spaces and all features, goods and services of a facility must be level, properly sloped, sufficiently wide and without cracks, holes or other hazards that can pose a danger of tipping, catching wheels or falling. These areas must be free of obstructions or unsecured carpeting that make passage either more difficult or impossible. Amenities must be sufficiently lowered so that Plaintiff can reach them. He has difficulty operating door knobs, sink faucets, or other operating mechanisms that tight grasping, twisting of the wrist or pinching. He is hesitant to use sinks that have unwrapped pipes, as such pose a danger of scraping or burning his legs. Sinks must be at the proper height so that he can put his legs underneath to wash his hands. He requires grab bars both behind and beside a commode so that he can safely transfer and he has difficulty reaching the flush control if it is on the wrong side. He has difficulty getting through doorways if they lack the proper clearance.

2. Plaintiff is an advocate of the rights of similarly situated disabled persons and is a "tester" for the purpose of asserting his civil rights and monitoring, ensuring, and determining whether places of public accommodation and their websites are in compliance with the ADA.
3. According to the county property records, Defendant owns a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104. The place of public accommodation that the Defendant owns is a place of lodging known as the Athenaeum Hotel, located at 3 South Lake Drive, Chautauqua, NY 14722 in the County of Chautauqua (hereinafter the "Property").
4. Venue is properly located in this District because the subject property is located in this district.

5. Pursuant to 28 U.S.C. § 1331 and 28 U.S.C. § 1343, this Court has been given original jurisdiction over actions which arise from the Defendant's violations of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. See also 28 U.S.C. § 2201 and § 2202.
6. As the owner of the subject place of lodging, Defendant is required to comply with the ADA. As such, Defendant is required to ensure that its place of lodging is in compliance with the standards applicable to places of public accommodation, as set forth in the regulations promulgated by the Department Of Justice. Said regulations are set forth in the Code Of Federal Regulations, the Americans With Disabilities Act Architectural Guidelines ("ADAAGs"), and the 2010 ADA Standards, incorporated by reference into the ADA. These regulations impose requirements pertaining to places of public accommodation, including places of lodging, to ensure that they are accessible to disabled individuals.
7. More specifically, 28 C.F.R. Section 36.302(e)(1) imposes the following requirement:

**Reservations made by places of lodging.** A public accommodation that owns, leases (or leases to), or operates a place of lodging shall, with respect to reservations made by any means, including by telephone, in-person, or through a third party -

- (i) Modify its policies, practices, or procedures to ensure that individuals with disabilities can make reservations for accessible guest rooms during the same hours and in the same manner as individuals who do not need accessible rooms;
- (ii) Identify and describe accessible features in the hotels and guest rooms offered through its reservations service in enough detail to reasonably permit individuals with disabilities to assess independently whether a given hotel or guest room meets his or her accessibility needs;
- (iii) Ensure that accessible guest rooms are held for use by individuals with disabilities until all other guest rooms of that type have been rented and the accessible room requested is the only remaining room of that type;
- (iv) Reserve, upon request, accessible guest rooms or specific types of guest rooms and ensure that the guest rooms requested are blocked and removed from all reservations systems; and

(v) Guarantee that the specific accessible guest room reserved through its reservations service is held for the reserving customer, regardless of whether a specific room is held in response to reservations made by others.

8. These regulations became effective March 15, 2012.
9. Defendant, either itself or by and through a third party, accepts reservations for its hotel online through one or more websites. The purpose of these websites is so that members of the public may reserve guest accommodations and review information pertaining to the goods, services, features, facilities, benefits, advantages, and accommodations of the Property. As such, these websites are subject to the requirements of 28 C.F.R. Section 36.302(e).
10. Prior to the commencement of this lawsuit, Plaintiff visited the websites for the purpose of reviewing and assessing the accessible features at the Property and ascertain whether they meet the requirements of 28 C.F.R. Section 36.302(e) and his accessibility needs. However, Plaintiff was unable to do so because Defendant failed to comply with the requirements set forth in 28 C.F.R. Section 36.302(e). As a result, Plaintiff was deprived the same goods, services, features, facilities, benefits, advantages, and accommodations of the Property available to the general public. Specifically:
  - a. With respect to the website located at [www.expedia.com](http://www.expedia.com), it does not comply because it does not identify accessible rooms, does not allow for booking of accessible rooms and provides insufficient information as to whether the rooms or features at the hotel are accessible. Hotel amenities, room types and amenities are all listed in detail. No information is given about accessibility in the hotel other than the statements "Roll in shower" and "Wheelchair accessible (may have limitations)".

- b. With respect to the website located at [www.orbitz.com](http://www.orbitz.com), it does not comply because it does not identify accessible rooms, does not allow for booking of accessible rooms and provides insufficient information as to whether the rooms or features at the hotel are accessible. Hotel amenities, room types and amenities are all listed in detail. No information is given about accessibility in the hotel other than the statements "Roll in shower" and "Wheelchair accessible (may have limitations)".
  - c. With respect to the website located at [www.cheaptickets.com](http://www.cheaptickets.com), it does not comply because it does not identify accessible rooms, does not allow for booking of accessible rooms and provides insufficient information as to whether the rooms or features at the hotel are accessible. Hotel amenities, room types and amenities are all listed in detail. No information is given about accessibility in the hotel other than the statements "Roll in shower" and "Wheelchair accessible (may have limitations)".
11. In the near future, Plaintiff intends to revisit Defendant's online reservations system in order to test it for compliance with 28 C.F.R. Section 36.302(e). In this respect, Plaintiff maintains a system to ensure that he revisits the online reservations system of every hotel he sues. By this system, Plaintiff maintains a list of all hotels he has sued with several columns following each. He continually updates this list by, among other things, entering the dates he did visit and plans to again visit the hotel's online reservations system. With respect to each hotel, he visits the online reservations system multiple times prior to the complaint being filed, then visits again shortly after the complaint is filed. Once a judgment is obtained or settlement agreement reached, he records the date by which the hotel's online reservations system must be compliant and revisits when that date arrives.

12. Plaintiff is continuously aware that the subject websites remain non-compliant and that it would be a futile gesture to revisit the websites as long as those violations exist unless he is willing to suffer additional discrimination.
13. The violations present at Defendant's websites infringe Plaintiff's right to travel free of discrimination and deprive him of the information required to make meaningful choices for travel. Plaintiff has suffered, and continues to suffer, frustration and humiliation as the result of the discriminatory conditions present at Defendant's website. By continuing to operate the websites with discriminatory conditions, Defendant contributes to Plaintiff's sense of isolation and segregation and deprives Plaintiff the full and equal enjoyment of the goods, services, facilities, privileges and/or accommodations available to the general public. By encountering the discriminatory conditions at Defendant's website, and knowing that it would be a futile gesture to return to the websites unless he is willing to endure additional discrimination, Plaintiff is deprived of the same advantages, privileges, goods, services and benefits readily available to the general public. By maintaining websites with violations, Defendant deprives Plaintiff the equality of opportunity offered to the general public. Defendant's online reservations system serves as a gateway to its hotel. Because this online reservations system discriminates against Plaintiff, it is thereby more difficult to book a room at the hotel or make an informed decision as to whether the facilities at the hotel are accessible.
14. Plaintiff has suffered and will continue to suffer direct and indirect injury as a result of the Defendant's discrimination until the Defendant is compelled to modify its websites to

comply with the requirements of the ADA and to continually monitor and ensure that the subject websites remain in compliance.

15. Plaintiff has a realistic, credible, existing and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to these websites. Plaintiff has reasonable grounds to believe that he will continue to be subjected to discrimination in violation of the ADA by the Defendant.
16. The Defendant has discriminated against the Plaintiff by denying him access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the subject website.
17. The Plaintiff and all others similarly situated will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein.
18. Defendant has discriminated against the Plaintiff by denying him access to full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of its place of public accommodation or commercial facility in violation of 42 U.S.C. § 12181 et seq. and 28 CFR 36.302(e). Furthermore, the Defendant continues to discriminate against the Plaintiff, and all those similarly situated by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such efforts that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

19. Plaintiff is without adequate remedy at law and is suffering irreparable harm. Plaintiff has retained the undersigned counsel and is entitled to recover attorneys' fees, costs and litigation expenses from the Defendant pursuant to 42 U.S.C. § 12205 and 28 CFR 36.505.
20. Pursuant to 42 U.S.C. § 12188, this Court is provided with authority to grant Plaintiff Injunctive Relief, including an order to require the Defendant to alter the subject websites to make them readily accessible and useable to the Plaintiff and all other persons with disabilities as defined by the ADA and 28 C.F.R. Section 36.302(e); or by closing the websites until such time as the Defendants cure their violations of the ADA.

**Count II - Damages Pursuant to NYSHRL**

21. Plaintiff realleges paragraphs 1-11 as if set forth fully hereunder.
22. The NYSHRL provides:
- (a) It shall be an unlawful discriminatory practice for any person, being the owner, lessee, proprietor, manager, superintendent, agent, or employee of any place of public accommodation... because of the... disability ... of any person, directly or indirectly, to refuse, withhold from or deny to such person any of the accommodations, advantages, facilities or privileges thereof ... to the effect that any of the accommodations, advantages, facilities and privileges of any such place shall be refused, withheld from or denied to any person on account of ... disability...  
NYS Exec. Law Section 296(2)(a).
23. Under NYS Exec. Law Section 296(2)(c), discrimination includes:
- (I) a refusal to make reasonable modifications in policies, practices, or procedures, when such modifications are necessary to afford facilities, privileges, advantages or accommodations to individuals with disabilities, unless such person can demonstrate that making such modifications would fundamentally alter the nature of such facilities, privileges, advantages or accommodations;
- (ii) a refusal to take such steps as may be necessary to ensure that no individual with a disability is excluded or denied services because of the absence of auxiliary aids and services, unless such person can demonstrate that taking such steps would fundamentally alter the nature of the facility, privilege, advantage or accommodation being offered or would result in an undue burden[.]

24. Defendant's property is a place of public accommodation as defined by the NYSHRL.
25. Defendant has violated the NYSHRL.
26. As a result of Defendant's violation of the NYSHRL, Plaintiff suffered frustration, humiliation, embarrassment, segregation, exclusion, loss of the equality of opportunity, and has otherwise been damaged.
27. Pursuant to NYS Exec. Law Section 297(9), Plaintiff is entitled to damages.

**WHEREFORE**, Plaintiff respectfully requests:

- a. The Court issue a Declaratory Judgment that determines that the Defendant at the commencement of the subject lawsuit is in violation of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. and 28 C.F.R. Section 36.302(e) and the NYSHRL.
- b. Injunctive relief against the Defendant including an order to revise its websites to comply with 28 C.F.R. Section 36.302(e) and to implement a policy to monitor and maintain the websites to ensure that it remains in compliance with said requirement.
- c. An award of attorneys' fees, costs and litigation expenses pursuant to 42 U.S.C. § 12205.
- d. Such other relief as the Court deems just and proper, and/or is allowable under Title III of the Americans with Disabilities Act.

Dated: February 1, 2021
